Message from President Siegling:

Hello, fellow Philatelists and Stamp Collectors!!!

We had our first face-to-face meeting in over two years on February 28th. It was held in the current headquarters of the Columbus Historical Society (CHS). We had so many people show up, the room was actually crowded! Fortunately, we can move the display cabinet that was in the center of the room for future meetings. The CHS supplied cookies and drinks; Maureen brought a nice variety of home-cooked treats. So a grand time was had by all.

Since Covid has prevented face-to-face meetings for so long, we had a LOT of business to handle. Work is progressing on Colopex, which is fast approaching. Club officers and members had gathered auction lots and brought many of them for sale. The auction raised \$57 dollars for the club. The business meeting lasted

nearly 1-1/2 hours, but did not drag. We got a lot accomplished! Unfortunately my talk had to be postponed. Check the schedule for when it will be given.

When Jason Manchester and I first toured this facility it was when the Omicron variant was near its height. Everyone was a bit afraid of gatherings. So we asked the CHS Board of Trustees to allow us to meet there once a month, preferably the second Monday of the month. (We planned for our other monthly meeting would be via Zoom.) HOWEVER, Covid numbers have been dropping dramatically and are expected to stay down for a while. We have asked the CHS Board of Trustees to allow us to meet twice a month. I believe this will be handled expeditiously. For those not in the know, our own beloved Fran Ryan is on the CHS Board of Trustees. So we have a "force of nature" supporting our request!

The CHS does require they have one or two of their own people at the facility when another group holds a meeting. (That is why we could not meet there on February 14th. No volunteers to open the building.) Both CHS officers who came to our meeting JOINED the CLUB! it is possible that due to staffing problems the CHS might not be available for all of our meetings. but I believe they can handle most, if not all. My opinion is that a face-to-face meeting is much better than a Zoom meeting, and a Zoom meeting is far superior to no meeting at all. For a short time we will all have to check the website <http://www.colopex.org> to find out if the next meeting will be held at CHS headquarters or via Zoom.

Keep your albums and checklists handy!
