Hello fellow Philatelists and stamp collectors!

I have plenty of GOOD NEWS to report this issue, so hang on to your tongs! Here we go!

- 1) COLOPEX 2022 is a GO! Guy Purington found a great site for our summer show. It is the Double Tree Hotel, just north of I-270 and slightly east of High Street, hiding in what is often called the Crossroads area. Guy will be the Show Manager. He has assembled a team that includes Maureen and Marie for Hospitality, plus Ken and me for Publicity. It will be held at our traditional time, the second weekend of June. Yes, this is across from CAPEX, the FIDE show in Toronto. I am suggesting to exhibitors to send their single frame exhibits to CAPEX, and their multi-frame masterpieces to Colopex 2022. More to follow on this exciting endeavor.
- 2) Guillermo Arango wants the philatelic books in his library to find good homes. At the Zoom meeting held August 23rd, he agreed to give it to the Columbus Philatelic Club to dispose of in a manner that will benefit the hobby. We agreed to drive to Delaware and pick it up. (John Cooper has volunteered to help and he has a truck suitable for the move. We need to locate one or two people willing to help with packing the books and someone to provide temporary storage.) I want our members to have first crack at the treasures in this collection. Then we will offer it to the various philatelic libraries around the country. This is similar to what we did when we disposed of our club library a few years ago. We have a list of Guillermo's books; if you wish to receive a digital copy, just ask Walt Bauer or me.
- 3) There has been great progress made on reviving the American First Day Cover Society Chapter 34, based here in central Ohio. Jake Jacobs has already identified 12 other collectors who want to join the chapter. I talked to AFDCS leadership while in Chicago at the Great American Stamp Show, and they will support Jake's efforts. We are inviting these other people to our next Zoom meeting, so be on your best behavior! (I want to recruit them into CPC.) See Jake's article elsewhere in this edition of the Columbian.
- 4) We still need to find a suitable place for club meetings. While at GASS, a national figure volunteered to come to Columbus and give a talk, once we have a meeting site. If you know of a restaurant with good food at a fair price and a separate meeting room, let me know!!!
- 5) I know almost all of us are smart enough to get a Covid shot. But if you have put it off, get it now!

Regards,

Van Siegling  
President, CPC

#### ANNOUNCEMENT

The Columbus Philatelic Club (CPC) established an **American First Day Cover Society (AFDCS) chapter** several years ago. The chapter has been dormant for a while but with renewed interest in the first day cover hobby (cachet makers, first day ceremonies, etc.) now may be a good time to restart the chapter. Over the last month we contacted over 45 AFDCS national members in Ohio and received positive feedback from 13 individuals. With this core group we hope to restart the Arch City Chapter 34 of AFDCS. Please contact **Jeff Jacobs** at [jjacobs007@att.net](mailto:jjacobs007@att.net) if you are interested in joining the Ohio chapter or if you have any questions.
