Hello, Fellow Philatelists and Stamp Collectors!

This will be short. There's not a lot of news right now.

Most of you know that Guy Purington does double duty as Show Manager for both the Worthington show and Colopex. He recently hashed out terms for the Worthington show, to be held December 9th and 10th. The only bad news about this that he has to train his THIRD Sales Manager (in three shows).

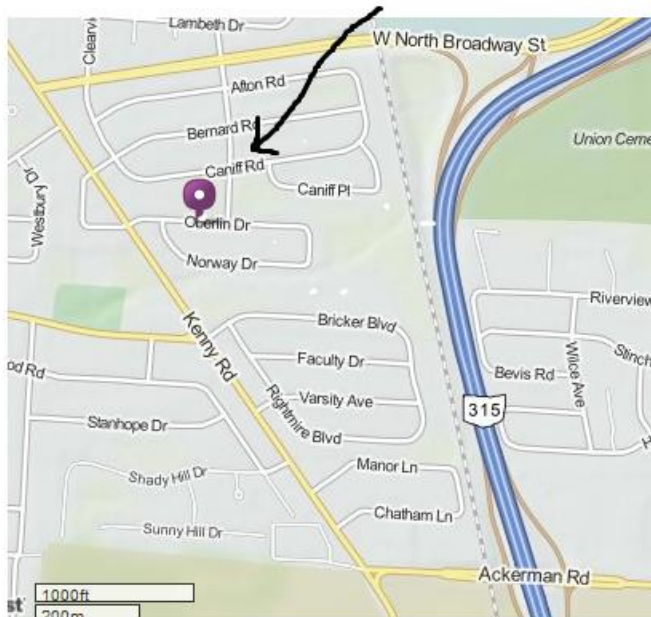

While I am roasting in California, please organize a car pool and go over to Airpex 2022 in Dayton. Yes, this is the show with the excellent lighting held in the Electricians Union Hall, 6550 Poe Ave, Dayton. This show will be Friday, August 26th from Noon to 6 and Saturday, August 27th from 10 to 4. And make sure the dealers know you are from central Ohio.

Yes, I will be at the Great American Stamp Show, aka GASS in Sacramento, CA. The long-term weather forecast is for high heat and no rain. We shall see if I melt. I do not know if anyone else from our area is going.

Keep your albums and checklists handy, and your hinges dry.

Van Siegling
President, Columbus Philatelic Club.
